

proj\_main\_loop

```
graph LR; A[proj_main_loop] --> B[parse_controller]; B --> C[controller_set];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is white with a black border and contains the text 'proj\_main\_loop'. A blue arrow points from its right side to the second box in the middle, which is also white with a black border and contains the text 'parse\_controller'. Another blue arrow points from the right side of the second box to the third box on the right, which is gray with a black border and contains the text 'controller\_set'.

parse\_controller
